About this trip

Travel in a comfortable Tesla Model 3 electric car to Aveiro and discover the typical houses of Costa Nova, the traditional "palheiros." These striped houses, initially painted in ochre red and black, were once used as fishing equipment warehouses. Next, enjoy a walk through the salt flats area, observing the birds that find shelter there. A Moliceiro cruise along the canals of the Ria de Aveiro will provide a unique perspective of the "Venice of Portugal." Finally, a stop at the Vista Alegre Museum and store will introduce you to Portugal's finest porcelain and its century-old heritage.
